Year 10 English

To start 2014 off, Menindee’s Year 10 English students undertook a film study of the classic movie “Forrest Gump”.

Below are two extracts from student reviews of this film:

Forrest Gump (film review)
Director: Robert Zemeckis
Romantic Comedy

The film begins with Forrest sitting on a chair in a park talking to strangers about his lifetime, childhood, when he was in the army, shrimping and ping pong. Waiting for the right bus to come which never came. His storyline is very original - it was filled with interesting adventures. The main theme in the movie was they were really close friends, did everything together. he was always looking for her, and always looking out for her. (L.J.)

The fantastic film Forrest Gump is an adventure through Forrest Gump’s life. This romantic comedy is directed by Robert Zemeckis, starring Tom Hanks as Forrest Gump. It is the tale of a young boy who shows us his life and his dreams of getting a wife, going to war and having kids. The central theme of following your dreams is what makes this movie. Seeing Forrest run from his house, on the footy Fields and across the United States which gave me a message that if you believe in what you want to do, you can do it. Overall, this film would appeal to a family. The story line is so interesting you won’t even realise that the movie goes for more than two hours I didn’t lose concentration I was so drawn to this awesome film.

JUNIOR CULTURAL DANCE TROUPE

Rehearsals are every Monday 3:30 - 4:30pm.
Please bring some food and a drink.
Last Tuesday some of our Primary swimming champions travelled over to Broken Hill to compete in the Barrier Swimming Carnival. Each student put in a valiant effort, swimming in the much-longer 50m pool, coming various places throughout the competition. It was great to see some parents come along and lend their support also. Well done, everyone!
Adult Education and Personal Interest Courses
If you have an interest in furthering your knowledge and experience.
Would like to get out a bit more of an evening.
Are considering re-entering education and would like to test the water.

Menindee Central School and NSW TAFE will be offering a range of courses running of an evening.
How exciting! We will soon have some Year 7/8 students (Brooke, Montana, Telicia, Whittney, David, Jason, Kade and Kyle) from Menindee Central School heading off to Mungo Nation Park to participate in the fabulous Mungo Youth Project on Wednesday 26th March - Friday 18th March (Week 9, Term 1).

The Mungo Youth Project provides students with the opportunity to develop their knowledge on issues that important to our great Australian landscape. Moreover, the project builds optimism and capability. It aims to create a cultural change in the way we use and understand our natural environment whilst developing public speaking capabilities, allowing students to communicate in many different forms.

Menindee students will be communicating their understanding and research into Language and Identity with the help of students from Lindfield East Public School. Over the past few weeks, our students have brainstormed their thoughts on how language and identity are linked, interviewed local Paakantyi Elders and speakers on how language is an important part of their identity, developed their own responses to several key questions, spoken to Ricky Mitchell (Our wonderful mentor) about Mungo National Park, recorded their own version of Kilampa Wura Kaani: Galah and Bearded Dragon, drawn, made I-motion videos and WOW! SO CHECK OUT ALL THAT PREPARATION! Fantastic!

Meanwhile, behind the scenes, teachers and aides alike have been working hard.

Kayleen has advised the students (and teachers) on everything from what stories to tell, how to pronounce Paakantyi words and showing respect. Thanks Kayleen!

Cheryl and Will have worked with some of our girls to develop their reading skills and assist them in giving clear voice recordings. Great job!

Mr. Roberts has created a brilliant jigsaw tree from the muddled rough sketches of Ms. Yarwood which was in turn inspired by the artistic genius of Mr. Ball. Mr. Blows and his Tech team also helped by making the leaves that will soon carry the opinions of a range of different audience members. You are amazing people!

In addition to the students, Kayleen and Ms. Yarwood, Mr. Irvine will be joining us as our bus driver (read: Chauffeur) along with Madeline Green, the teacher on Exchange from America and Lindfield East Public school’s Deputy and Principal, Racheal Watkins and Andrew Stevenson.

Thank you to everyone in Year 7 and 8! You have supported and helped.

To those attending - prepare yourself for adventure and knowledge.

Menindee Children’s Centre News

Recently Casey & Pearl attended a follow up and extension training for the NSW Health ‘Munch & Move’ program. When registrations were taken for this training all services in the area (10+) were asked to do a presentation on how each service was implementing the Munch and Move program. Menindee Children’s Centre was the only service in the area who volunteered to do this presentation. Casey and Pearl presented to the group the learning experiences we had been doing with the children across all of the munch and move key messages. Well done to them for volunteering to do this as public speaking can be very daunting. From what I hear they covered all of the great things we are doing and they did our centre proud! It is great to have educators like this that recognise and are proud of the great work we are doing! We look forward to Casey and Pearl putting into practice their new skills and training.

The six key messages that form the basis of the Munch & Move program are:

- Encourage and support breastfeeding
- Choose water as a drink
- Eat more fruit and vegetables
- Choose healthier snacks
- Get active each day
- Turn off the television and computer and get active

Ongoing training such as this is crucial for all educators. It ensures that while we may be very remote and unable to do a lot of training we do attend all available opportunities, both locally and online through the use of webinars etc to ensure the curriculum we are delivering is in line with best practice and the best possible for our children.

Don’t forget Little Kids and Books is on THIS Thursday 20th March @10.30am at the preschool. This week’s book is ‘That’s not my Puppy’ a bright and colourful touch and feel book about dogs to follow on from the beautiful Hairy Maclary from last fortnight.

The Preschool Annual General Meeting will be held on Monday 7th April at the Preschool at 5.15pm. All parents, family and community members are urged to attend. The PRESCHOOL CANNOT RUN WITHOUT AN ACTIVE COMMITTEE. Please show your support for your child’s / community preschool and come along.

**On Friday 21st March, Menindee Central School will be participating in the National Day of Actions against Bullying and Violence.**

The National Day of Action provides a focus for schools and the wider school community, including parents and caregivers, to strengthen their everyday messages against bullying and violence. Bullying and violence have terrible consequences, especially on our young people, who are still learning about the world and developing their own way of dealing with difficult situations.

Secondary students will be participating in anti-bullying and violence activities from **11:30am** onwards. The Day of Action itinerary includes:

- **Guest speakers** from Lifeline and Mission Australia
- **Workshops** will be presented on cyber bullying and bullying in general. These workshops will be presented by representatives of Mission Australia.
- **A sausage sizzle lunch** for students, teachers and community Year 11 will be selling drinks as part of their fundraising for their Uluru trip
- **A Sea of Hands** to show support for Anti-Bullying and Violence. We will take our Sea of Hands on a journey outside of the school to promote anti-bullying and violence to the greater community. Come along for the walk! Notes to be sent home soon.

We would like to encourage family and community to **stand with us** against Bullying and Violence this Friday 21st March from lunch onwards by participating in our Sea of Hands.

Do you have a child in year 4, 5 or 6?

Have you missed out on thousands of dollars?

In 2001 the Government introduced the ‘First Child Tax Offset’ and surprisingly many Australians did not know about it and have NOT claimed any benefits.

If you have ANY child that was born between 1 July 2001 and 30 June 2004 you may be eligible to receive up to $12,500 of entitlements.

The government has a 30 June 2014 deadline on this entitlement so please email childoffset@twelve.com.au today to receive more information.
