We’re nearing the end of term and heading into assessment time. Below is an outline of what tasks are coming up for stage 5- year 9 and 10. As you can see, it is important that students keep attending school right up until the end of term. If students miss an assessment task they will need evidence of their reason for absence (eg Doctor’s certificate). If you have any concerns about your child’s attendance or work you can contact their year advisor, Pete Roberts, or the Head Teacher, Michelle Hasking.

Do you have a child in year 4, 5 or 6?

Have you missed out on thousands of dollars?

In 2001 the Government introduced the ‘First Child Tax Offset’ and surprisingly many Australians did not know about it and have NOT claimed any benefits.

If you have ANY child that was born between 1 July 2001 and 30 June 2004 you may be eligible to receive up to $12,500 of entitlements.

The government has a 30 June 2014 deadline on this entitlement so please email childoffset@twelve.com.au today to receive more information.
