Term 2 Week 2
Thursday 8th May 2014

Week 2 and a friendly reminder from Mother Nature that the season is set to change. The heaters were switched on and jumpers dragged out from the bottom of cupboards. Hopefully though, we will still have a few warmer days in which to enjoy our new school shirts.

The school reference group received a number of favourable comments about the shirt design that was used for the primary Big Day Out excursion in 2013. So much so in fact, that it was decided that the school should provide a similar shirt to ALL students! We plan to order a ‘Special Edition’ shirt for each year based on a design that will be chosen in Term 4. There are now a couple of options for uniforms when your student gets ready for school, for primary our traditional yellow polo shirts, secondary the white and now… our Team Spirit polo shirts! We would like to ask that for excursions and representative occasions our students show their pride in their school and their classmates by wearing their Team Spirit polo. If you would like to purchase additional shirts an order form accompanies this newsletter. (See Pg 4)

On Tuesday the school staged a Lock Down drill to practice the processes and procedures that would be used during a situation that might pose a danger to students and staff. I must congratulate everyone for the sensible way they conducted themselves through the drill. The school is required to undertake a number of drills through the year and this was the first of four that are scheduled. We will always ensure that students and support services are well aware of our intention to run a drill, just not the exact timing. We need a little surprise to test reactions. If you have any questions regarding our emergency planning please don’t hesitate to get in touch with the school.

I’d like to take this opportunity to wish all the Mums a wonderful day for this Sunday. Don’t forget Beyond Café reopens this Sunday and has a wonderful specially designed menu to spoil Mum!

Come treat Mum this Mothers’ Day at Beyond Café
Open from 10am – 2pm
Sunday 11th May
Breakfast Club
Every morning
From 8.30am
Cooking room
Toast
Cereal
Milo
Come along, stay warm and have something to eat
CHC Challenge

Students in Mr Sundstrom and Mrs Shephard’s classes this week commence their CHC challenge, which encourages kids to get active. Students were given pedometers to measure how many steps they take each day during school hours. This is then recorded on each student’s own personal log book, and uploaded onto the CHC challenge website.

This is a pilot program, and we are currently in the running alongside 13 other schools. If you have a child participating in this activity, ask them how many steps they did today.
Food Allergy Week

Monday 12th – 18th of May 2014.

A key focus of the week is to help increase schools understanding of food allergies, their importance and to ensure that best practice allergy management plans are in place.

The theme for this year is 

Be Aware. Show You Care.

Be Aware - Australia has one of the highest incidences of food allergy in the world, which is growing at alarming rates. In fact, 1 in 10 babies born in Australia today will develop a food allergy.

Team Spirit Polo Shirt Order Form

Student Name: 

________________________________________ 

Size:
